

BOOTHAM JUNIOR SCHOOL

PTA NEWS

AUTUMN BALL UPDATE

Saturday 15th November 2008. The Merchant Taylor's Hall.

Just a little reminder that tickets are now on sale for the above event and there is now an opportunity to pre-order wine for the evening. Please see the wine list provided at the school office.

Among our many activities planned for the evening, we are organising a number of gift envelopes available for a £5 purchase. Each gift envelope comes with a guaranteed prize, many of which have been kindly donated by the local business community and parents of the school. Whilst the response for donations has been very positive and encouraging, we would welcome any further donations you may wish to offer. If you would like to make a valuable contribution, please could this be done so before **Friday 7th November** and left at the school office. If you have any queries with regards to the above, please see Jane Dean, who is the link person for this activity.

Thanking you all for your ongoing support and cooperation
