TO PARENTS AND GUARDIANS
OF PUPILS IN LOWER SCHOOLROOM

Dear Parent and Guardians,

LOWER SCHOOLROOM PARENTS' EVENING

We extend a warm invitation to all parents and guardians of pupils in Middle Schoolroom to attend the ***Parents' Evening on Tuesday 2 March 2010 at 6.40 pm.***

The meeting will take place in the Dining Room and whilst there will not be a system of appointments, all members of staff who teach Lower Schoolroom will be available for informal discussions. For those of you who are attending your first Parents' Evening at Bootham, please be assured that the 'no appointments' system allows parents to select the teacher they wish to talk to who has the shortest queue – it's a sort of self-regulating system that works at least as well as any appointment system I have experienced. You should come equipped with a list of the names of all the subject teachers you need to see. Coffee and tea will be served.

We look forward to seeing you on this occasion.

Yours sincerely,

JONATHAN TAYLOR
