

Welcome to Bootham Old Scholars' Weekend 2010

We were delighted to welcome hundreds of Old Scholars to our 2009 reunion. This year we have added even more new activities to the programme, including access all areas tours of the school, a Big Splash in the pool and the Twenty20 Cricket Match which will take place in the afternoon. Everything starts on Friday evening with a special event in the JB Library when Old Scholars from Bootham and The Mount, who were at school during WWII, will share their experiences. This will include the time when both schools were evacuated to Ampleforth and Cober Hill respectively. There will no doubt be some wonderful stories and we look forward to seeing you there.

There is plenty to keep children entertained as well as a wonderful afternoon tea and later in the evening, the Annual Reunion Dinner. So please do come along and join us.
