

**Parent Parking Permit request form:**

If you would like to apply for a parking permit please fill in your details below and **return the bottom part of this form to Jeanne Long, Administration Manager, by the date indicated on the checklist.**

The conditions for use of the permit are as follows:

- The permit shall be used only by parents of current Bootham School pupils
- The permit is for use only in a vehicle bearing the same registration as the permit
- Parking in school shall be as set out in the current note entitled 'Cars at Bootham: Information for parents
- Having a permit does not guarantee a parking space; it only allows the vehicle to be parked if a space is available
- Only one permit per family will be issued
- Permits are valid for one academic year
- Parking is at the owners risk and the School does not accept any liability.

**It is our intention to issue permits for the start of term so it is important that you return the slip below by the date requested.**
