

Personal Possessions Insurance for Bootham School

It is a fact of life that children's possessions get lost and broken whilst they are at school, therefore this insurance policy has been introduced in order to ensure that every child has cover for their personal possessions.

The Cover Includes:

The Policy covers the loss, theft or damage to all of a child's clothing and personal articles worn used or carried about the person, including valuables, instruments, mobile telephones, laptops, tablet computers, sports and other equipment, and tools.

The Sum Insured is £5,000 per child, and whilst all of a child's personal possessions are insured, a claim for any individual item (including a laptop, smart device or mobile phone), will be limited to £1,500.

Any claim will need to be substantiated by proof of purchase.

What is not covered:

As is usual with any insurance policy, there are certain items the insurer will not cover and these include:

- The first £50 for mobile phone / tablet claims
- The first £100 for laptop claims
- The first £20 for all other claims
- Bankers cards credit and debit cards
- Property more specifically insured

Please contact the school Bursary for a full list of exceptions to the policy.
